STEP2: Click the start from scratch to build your action.

STEP3: Enter the name of your action and click save.

STEP4: Now the action has been created ,we can add further query.

The screenshot displays the IBM Watson Assistant console interface. The top navigation bar includes the IBM logo, 'Watson Assistant', 'Lite', 'Upgrade', and a dropdown menu for 'banking bot'. The main content area is titled 'savings account' and shows a configuration for a conversation step. On the left, a 'Conversation steps' list contains one step labeled '1' with the text 'This step has no content' and a 'Continue to next step' button. The main configuration area for 'Step 1' is set to 'without conditions'. Below this, the 'Assistant says' section contains a text input field with the placeholder 'For example: What size do you want to order?'. The 'And then' section has a 'Continue to next step' button. A 'New step' button is located at the bottom left of the configuration area. On the right side, a sidebar shows the user profile 'Aziz T' with email '1916129@saec.ac.in', a 'Plan' section with 'Lite plan' and 'Upgrade' options, an 'Owner' section with the same email, an 'Instance' section with 'Watson Assistant-b7' and a 'Switch' button, and an 'IBM Cloud Dashboard' section with links for 'Add users', 'Manage users', 'Usage and billing', 'Privacy', and 'About'. At the bottom, a status bar shows '76°F Cloudy', a search bar, and system icons for network, volume, and battery, along with the time '12:09' and date '15-11-2022'.
